

JOHN 13-17 BIBLE STUDY MATERIALS

Dear InterVarsity Community,

These manuscript Bible study materials are yours to use and distribute as you find helpful. We have created them for you to lead with your teams in preparation for Staff Conference 2020, but you may also find them useful for student ministry and even for ministry partner development in church small group settings.

The original Leader's Guide document can always be found at tinyurl.com/leadbiblestudy.

Each of the 7 guides for small group manuscript Bible study covers one section of John 13-17, the foundational text for Staff Conference. Some basic preparation has already been done for you, but before you lead, you will need to study the passage and more fully flesh out your preparation in the boxed sections of the guide. The prepared content is simply a draft for you to customize for the needs of your team.

If you have questions or suggestions, please feel free to contact me. I hope you enjoy digging into these passages with your team (or students! or ministry partners!) as we prepare to be together in January.

Peace,
